Dear Ms. Smith:

This letter is prompted by the Commission's preliminary review of your Statement of Organization. The review raised questions concerning certain information contained in the Statement. An itemization follows:

-Commission records indicate the name of your connected organization is "The Madison Project Inc.". However, your committee has amended this statement of organization to indicate the new name of your committee is "Madison Project". While committees may use commonly recognized abbreviations on daily communications such as letterhead and committee checks - disclosure reports, amendments and other committee filings must reflect the official name of the connected organization, as well as any abbreviation within its title. 2 U.S.C. §432(c)(5). Please amend your statement of organization to clarify this discrepancy.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designation and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
